After the judging of the Overall winners of the Led and the Under Saddle at your **Branch Dilute Championship Show**, these winners will perform another workout which has been set by the Board.

This workout will be videotaped by Director, Leanne Owens, and that video will be viewed by 5 DA accredited judges chosen by the Chairman.

There will be videos from each branch. Each judge will place the branch winners in order of preference. Most preferred exhibit wins.

The 5 judges will not have judged at the Championship Show.

The Board is looking forward to announcing the two winners and presenting them with their prizes.

The process will start in September at the Qld Branch Dilute Championships, then a wait until the end of November for the NSW & ACT Branch Dilute Championships. Western Australia, Tasmania & South Australia follow each week from the beginning of December. The winners should be announced by the start of the New Year.

**The Board is offering members the opportunity to sponsor these prizes.**
