OWNER'S DECLARATION

Has this horse been required by another breed society to undergo DNA testing for any genetic disorder - ie HYPP, HERDA, PSSM, LFS etc? YES NO

I declare that all particulars given in this application are correct to the best of my knowledge.

I declare that the horse described on this application conforms with the Company's regulations and that the markings as shown on the accompanying diagrams are correct.

I understand that all DA registered horses must be shown **in the name of the legal owner** of the horse and that the legal owner of a DA registered horse must be a current financial member of the company in order to show the horse.
