

Sample Photos

NB: all of these photos are required.
Failure to include any of them will result in processing delays.

FULL view of BOTH SIDES

FULL view of FRONT & REAR
*(front view should include full view of face
so correct face markings can be noted)*

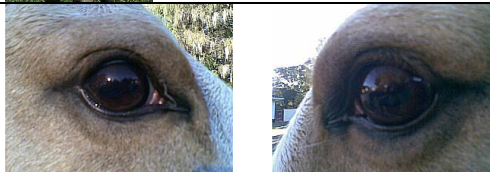

FACE if not included in full front view

Side on view of TEETH – pull lips back

Side on close ups of EACH EYE
*(try to ensure there are no reflections from
the surrounding scenery/ handlers on the
eye)*

UNDER BELLY including between
front and back legs

TESTICLES (stallions)/
SHEATH AREA (geldings)

UNDER TAIL
(mares)

Close ups of BRANDS, SCARS etc

PALOMINOS:
*Close ups of mane and tail fanned out so
colour can be assessed*

DUNS:
Close ups of DUN factors
